

LOCAL MERGER ANNOUNCED

It is with great pleasure we announce the acquisition of Miller Insurance Agency of Navasota, into the Wellmann Insurance Agency family.

Bert Miller and David Wellmann have known each other for many years, both in a professional manner and in civic organizations. Both organizations align perfectly in that they are family owned, oriented, and operated. Both are committed to serving their clients first, with the very finest service available.

What changes? Nothing. Our clients will not be impacted in any way and there will not be any disruption in our client support, stated Mr. Miller! He also stated, “We will both maintain our independent offices and continue to provide our clients with the same great services as before but with a wider range of markets and better pricing to offer our clients.”

Miller Insurance was formed in 1947 by Wm. Albert Miller and Margie Miller, Wm. Albert Miller, Jr. (Bill) joined the agency in 1971 and continues today, with third generation, Bert Miller. We have strived to always place our customer first, while adopting our tag line “Free To Do What’s Right For You.”

The Wellmann Insurance Agency was formed by David Wellmann in 1992 with the merger of Ehlert Insurance and Lange and Associates Insurance. Mr. Ehlert and Mr. Lange hand selected David to perpetuate their agencies and grow what has been a culmination of over 100 years of privately owned insurance agencies.

They pride themselves on providing the best coverage possible, at a competitive price, from many quality insurance carriers, all while providing un-paralleled service.

Mr. Wellmann stated, “that will not change, but instead be stronger with the alliance of these two strong, and well-respected agencies”.

We look forward to serving our communities for many years to come!
